

Engraving Our Freedom

ART PROJECT

"והלוחות מעשה אלהים המה והמכתב מכתב אלהים הוא. חרות על הלוחות." **אל תקרא חרות אלא חירות.**
(שאין לך בן חורין אלא מי שעוסק בתלמוד תורה.)

And it says, "And the tablets were the work of God, and the writing was the writing of God, etched upon the tablets". **Read not *haruth* ['etched'] but *heruth* ['freedom'].**

(Exodus 32:16)

Brainstorm words that represent **freedom** to you. These are the words you would like to commit to. Now, let's engrave them!

This project can be done using 3D or 2D materials.

Materials & Instructions

- ◆ Clay/sculptee/model magic/tin foil or (any other material you can find around your house to sculpt with)
- ◆ Pencil/sharp object for engraving

Using your 3D material, create a shape to represent your freedom.

Once you have your shape, take your engraving utensil and engrave your words on the object you have just created.

- ◆ Colorful oil pastels or markers
- ◆ Black paint
- ◆ Pencil or object for engraving
- ◆ Paper

Using your paper, color the background with oil pastels or markers.

Then paint over the pastel with black paint. Using your engraving utensil, engrave your words of freedom.
