GOOD NEWS COLLAGE

HOW TO MAKE YOUR OWN GOOD NEWS COLLAGE

Sift through daily newspaper headlines and find where goodness is revealed. Create your own front page with images and headlines from them.

CONSIDER THESE METHODS...

✦ Cut and paste images from the internet from online news sources

✦ Use newspapers lying around your house. Old news can still be good news!

✦ Make up your own stories and images of inspiration. Grab a piece of paper and write them down using pens and markers
